

## YEE HONG DONOR RECOGNITION PROGRAM

Yee Hong has been blessed with the generous support of the community to build the four Centres, which are now serving over 15,000 seniors and their families in the Greater Toronto Area.

Each year, thousands of donors contribute to Yee Hong to support our high quality and culturally appropriate services. The Donor Recognition Program recognizes their important contributions in several ways:

**Yee Hong Donor Wall** – located in the main lobbies of all Yee Hong Centres to recognize donors in 4 categories based on their cumulative donations to Yee Hong:

- **Donor** for individuals whose gifts to Yee Hong total \$2,000 to \$19,999
- **Sponsor** for individuals whose gifts to Yee Hong total \$20,000 to \$49,999
- **Benefactor** for individuals whose gifts to Yee Hong total \$50,000 to \$199,999
- **Patron** for individuals whose gifts to Yee Hong total \$200,000 to more

**Dedication Area** – choice of area in one of the 4 centres for Sponsors, Benefactors and Patrons whose contributions and pledges to Yee Hong total \$20,000 or more. Some dedication areas provide naming opportunities.

**In Memoriam Wall** – commemorates a loved one for a donation of \$700 or more.

**Celebration Wall** – honours a special person, achievement or occasion for a donation of \$1,000 or more. You may consider celebrating a birthday, graduation or the grand opening of a business. There are many occasions worthy of inclusion on the Celebration Wall.

### Best Care Campaign Donor Recognition

Launched in September 2007, the annual **Best Care Campaign** raises funds to support the vital services and programs of the four Centres. Donors who contribute \$1,000 or more (total contribution/pledge) towards the Best Care Campaign will have their names recognized on the **Best Care Campaign Donor Wall** in all four Yee Hong Centres.
