Re: Cancellation of Services

Dear Community & Professional Services clients and families,

In light of the recent Ontario Health directive, Yee Hong will be restricting entry to our long-term care homes as of midnight March 14th for all visitors. As a result, **all of our day programs and congregate dining programs** will be closed March 16 until April 5.

This is a highly unusual time and we understand that anxiety is high. Please trust that we have a shared interest in protecting our clients and residents and our focus is on prevention and spread of COVID-19.

Yee Hong is prepared for the global pandemic. As the situation continues to evolve, so will our response. The safety of our seniors, their families, our staff, and volunteers is our top priority. Please consult <https://www.yeehong.com> for schedule changes and updates. For additional information on COVID-19 and travel advisories, you can visit www.canada.ca/covid19 and <https://travel.gc.ca/travelling/health-safety/travel-health-notice>.

Thank you.
